Dear Parents,

The children (and staff!) have had a fabulous World Book Day, everyone looked amazing and we have all thoroughly enjoyed sharing our favourite books.

Well done to the girls football team who played in the 'Plate' competition. As ever they did brilliantly and represented the school impeccably.

Online Safety

It's World Book Day this week, a perfect time to celebrate the joy of reading and explore how technology can support literacy. The way we engage with text has changed dramatically over the years. Whether reading captions on social media, instructions in a video game or an e-book on a digital device, technology plays a major role in modern literacy.

To help struggling readers, many digital platforms offer tools that enhance readability by making text more accessible and engaging. This week's guide offers parents and educators ten top tips on how they can help young readers engage in text and foster a love for reading.
