Article of the Month 2 No Discrimination

All children have all these rights no matter who they are, where they live, what language they speak, what their religion is, what they look like, rich or poor, who their parents are, boy or girl, if they have a disability. No child should be treated unfairly for any reason.

Class News

- Nursery - have been very busy learning about harvest time and watching vegetables being made into their very own soup, it was yummy!
- YR - have been learning about 2D shapes. I wonder what 2D shapes you can find at home
- Y1 - have loved using atlases to explore the United Kingdom and discover the capital cities within it.
- Y2 - have really enjoyed making houses in D.T using cereal boxes and straws
- Y3 - have had a thoroughly amazing time on their class trip to the Tutankhamun Exhibition! We learned so many interesting facts and were able to see many wonderful artefacts
- Y4 - have been really resilient with their maths learning multiplying by 2 digits
- Y5 - really enjoyed composing their #Remarkable lives poems..... It wasn't difficult to think of someone special to write about!
- Y6 - have been learning about the significant events that happened during the First World War.

Dear Parents/Carers,

A week of sporting success. Well done to Y5/6 boys' football team who were finalists in the East Dorset Tournament at Wimborne Town FC. They will now go on to play in the County Cup Tournament. Congratulations to the Cross Country team, St Ives had 18 Y5/6 boys and girls representing the school at Canford School this week. They all did amazingly well and were real ambassadors for the school.

Value of the week: Respect

This week in our assemblies we have been exploring Black History month. We have learn about Rosa Parks, Martin Luther King and understanding how they transformed history. We also welcomed Mr Gillham and Revd Sandra Matthews (trainee Vicar at All Saints Church) to celebrate Harvest Festival. Thank you for your generous donations. October is Black History month and we will be discussing this during our assemblies over the next few weeks.

Teacher led Afterschool clubs:

There will be NO teacher led afterschool clubs next week, they will restart after the half term break. This includes Homework club.

Internet Safety:

Little fingers can wreak all sorts of unintentional havoc when given access to a parent's iPhone or iPad. Guided Access is an app designed for Apple devices to keep children on a specific app and away from anything they shouldn't see. Many parents and carers, however, either haven't heard of Guided Access or don't know how to use it – the attached guide this week has step-by-step instructions for setting it up.

Art opportunities - Artsmark

Art and design is all around us and at St Ives every child is encouraged to appreciate the arts in all its forms, as an audience member as well as artists and performers. Artsmark is a creative quality standard accredited by Arts Council England designed to further embed arts, culture and creativity across schools. As a school we have registered to begin our Artsmark journey and aim to use it as a vehicle to further validate and enrich our Art and Design opportunities. The Art Ambassadors and I look forward to sharing our progress with you.

WOW day costume collection

SISA will be collecting WOW day costumes on Wednesday 20th October at drop off. Please see attached flyer for details.

SAFETY OUTSIDE SCHOOL

Please ensure whilst you are waiting at the school gate with your child that your child waits with you. As soon as you have dropped off please move to the other side of the road to allow children and parents to safely walk along the pavement. Thank you for your understanding.

Yours sincerely

Mrs L Crossley
Headteacher

What Parents and Carers Need to Know about APPLE GUIDED ACCESS

iPhones and iPads don't offer separate user accounts. So when you hand your Apple device to a child to play a game or watch a video, you're also handing them access to your email, the web, messaging and numerous other apps through which they could accidentally do something regrettable.

Apple Guided Access solves this potential problem by letting you restrict the iPhone or iPad to one particular app whenever your child uses the device. If they try and leave that app, they will be asked for a password or Face ID, meaning they can't access anything they shouldn't elsewhere on the device. Here, we show you how to find and set up the Guided Access feature, so you can confidently let your child borrow your iPhone or iPad.
