Dear Parents,

Welcome back! I trust everyone had a wonderful Easter break, enjoying the sunshine and celebrations. It has been lovely to welcome everyone back to school, the children have returned with great enthusiasm to get back to learning and the WOW day today has been particularly special, well done!

A special congratulations to our fantastic school choir, who represented St Ives with pride at the recent Bournemouth Performing Arts Competition! Their hard work and dedication shone through in a beautiful performance, earning them a 'Merit' award. The judges praised the choirs artistic expression, technical skill, and confident delivery, what an achievement!

A huge thank you to Mrs Jones for her tireless commitment in coaching and inspiring the choir. Your passion and expertise has helped the children grow in both ability and confidence, we are so grateful!

Well done to all involved, you have made St Ives proud!

Online Safety

Making friends online can open doors to exciting new experiences - but it can also expose children to serious risks. Around 19% of children aged 10 to 15 in England and Wales have chatted online with someone they've never met face to face. This week's guide explores how young people form connections online and what trusted adults should know. With expert advice on encouraging safer habits, spotting red flags and keeping communication open, it offers valuable guidance for parents and educators alike.
