Dear Parents,

WOW, what a week in the life of St Ives! Everyone thoroughly enjoyed transition day, well done to Year 6 who I'm told were amazing at Ringwood and the other schools they attended.

Lots of well does this week. Well done to:

- Reception who enjoyed a trip to Longdown Activity Farm this week, their behaviour was impeccable!
- To all of Year 1 who entertained the whole school and parents and carers with an incredible Y1 assembly.
- To all the children who performed in the Piano Concert.

Thank you!!

As we approach the end of the year, we wanted to thank you for your continued support and to reiterate just how brilliant your children are, they have been exceptional.

I would also love to end the year by sharing any messages of thanks or appreciation from you to our most incredible staff we have here at St Ives. If there is a member of staff you would particularly like to thank, please could I ask that you email the address below.

Many thanks in advance for your messages, I look forward to sharing them!

Sports Day

The school will continue to monitor the weather for Tuesday's Sports Day and adapt the day to ensure the children's safety. We will let you know as soon as possible of any changes or if it is cancelled, if necessary, but hopefully not!

Sponsored Animal Run

On Tuesday 14th July, the School Council will be holding a Sponsored Animal Run to raise money for our chosen charity, Waggy Tails. Children are invited to come to school dressed as their favourite animal or to wear animal-themed accessories for the event. Your child will be bringing home a sponsorship form. Please return the completed sponsorship form, together with any sponsorship money collected, on Tuesday 14th July. Thank you for your continued support and generosity.

Online Safety

From using them for communication, work, shopping and entertainment, devices such as smartphones, laptops and the rest are now deeply ingrained into modern society. Small wonder, then, that young people – who've grown up surrounded by such gadgets – can sometimes struggle to put them down, switch them off or keep themselves occupied without them. While limiting our screen time may require a great deal of restraint, the effort can be rewarded with significant benefits to our physical and mental health. This week's guide has simple tips for helping to manage the amount of screen time in your household – encouraging the whole family to spend more quality time together and live in the moment.
