Dear Parents,

This week has been truly fabulous! Engaging lessons, lively discussions and children making connections throughout their learning. The positive energy and enthusiasm of both children and staff has created a real buzz across this school.

Value of the week: Aspiration

The whole school has enjoyed discussing their aspirations and what they will do to achieve these during our assemblies this week.

Online Safety

Contentious or provocative viewpoints are shared every second of the day online. That's not to say, however, that an opinion is less valid simply because it's initially unpopular. With disturbing frequency though, some individuals post damaging hate speech online under the guise of 'freedom of expression' – and unless young people can identify hate speech, there's a risk of them being influenced by such harmful content. This week's guide explores the crucial differences between free speech and hate speech.
