

Year 2 Curriculum Newsletter—Autumn Term

English

In our literacy lessons this term, we will be covering a range of reading and writing that will be delivered through the Year 2 Read Write Inc. scheme. The children will also be writing for a range of different purposes in their CLJ work, such as stories, recounts, instructions and poetry.

Spelling will also be taught using the Read Write Inc. scheme.

Reading

Your child will be given a reading book that they will read in school and at home. They will be re-reading this book to develop their fluency and understanding. Please ensure that your child brings their book bag into school every day. It is beneficial for your child to read as much as possible at home. Please sign and date their reading record to say that you have heard them read. They will also be choosing an additional book that they can read at home. This will not be read to any adult in school but is just one for them to read and enjoy.

Creative Learning Journey (CLJ)

Our CLJ theme this term is called 'Light up London' and in particular, relates closely to our History, Geography and Art. We will be learning about:

History— The Great Fire of London and Samuel Pepys

Geography— The countries and capitals of the UK, famous London landmarks and features

Science—Healthy diet and lifestyle

Art— famous images of London

Computing—What is a computer? & internet safety.

Maths

In our Numeracy lessons this term we will be following the Inspire Maths scheme of work and covering the following units:

- Place Value
- Addition and subtraction
- Multiplication and division
- Measures, data and handling money

The children will also be practising their 2,3,4,5 and 10 times tables. IXL and TT Rockstars will be used to support learning in maths.

Rights Respecting—Article 29:

Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.

P.S.H.E.— Friendships & What keeps me healthy?

P.E.

P.E. sessions are on a Monday and Tuesday this term. On a Monday they will be doing tri-golf and need to wear their school uniform with a pair of trainers. On Tuesday we will be doing multiskills and they will need to wear their P.E. kit all day.

Home Learning / Liaison

Home learning will be set on Seesaw and will be posted on a Friday. Passwords have been stuck in the reading records. The children will then have a week to complete it. The children will be bringing home a book to do their home learning in if they wish but these do not need to be returned to school. Please take a photo or upload the work that the children have done to Seesaw. It will be linked to areas of the curriculum we are learning about in class. If you have any questions or concerns, please do not hesitate to speak to one of us or email the school office. Thank you for your support.
