Article of the Month 29 Goals of Education

Children have the right to education that tries to develop their personality and abilities as much as possible and encourages them to respect other people's right and values and to respect the environment.

Class News

- Nursery - have enjoyed making their own unique face portraits
YR - have done really well settling into school life and learning the new routines!
Y1 - have got stuck into their new topic 'Cottages and Castles'. They had a fun day dressing up as Victorians and working on their engineering skills by building bridges
Y2 - had a fabulous WOW Day and learnt lots about London
Y3 - have thoroughly enjoyed their Ancient Antics WOW day, particularly baking Egyptian bread!
Y4 - have loved creating their own timelines of the stone-age
Y5 - have had a fantastic first week and particularly enjoyed researching, designing and making Viking long ships on their WOW Day!
Y6 - had a wonderful WOW Day making trench cake and trenches!

Dear Parents,

Following the sad news of the passing of the Queen yesterday, the whole school showed their respect in assembly today with a minutes silence.

It has been an exciting week of learning, all classes have had their WOW days to start off their Creative Learning Journey themes and everyone has settled in brilliantly. Well done to our youngest children in Reception and Nursery, they have been amazing!

Message for Reception parents – your child's seesaw password will be sent home in their book bag today.

**Online Safety**

On the one hand, Roblox encourages creativity and teaches game design. On the other, however, there are reports of inappropriate content and online predators. The platform aims to provide a child-friendly environment, but with the majority of Roblox players being under 13, the worries of parents and carers are easily understandable. In this week's guide, there are tips and advice for enabling children to enjoy Roblox more safely. It also explains what the platform's parental controls can be used for, what options there are for blocking or reporting other players who are being offensive, and how conversations about Roblox can help young users learn to deal with strangers online
