Dear Parents,

What a fabulous week it has been at St Ives, filled with exceptional talent, teamwork, and a touch of sunshine to brighten our days!

The highlight of the week was undoubtedly the SISA's Got Talent Show, which left us all in awe. Every act was incredible—polished, creative, and brimming with confidence. It was a true celebration of the amazing talent we have here at St Ives, and every performer deserved to take home the trophy. Well done to all our stars—you made us incredibly proud!

Year 4 also had an exciting time at the Trust sports event held at St Mary's First School. It was a joy to share the work we've been doing and to see the enthusiasm and excitement on the children's faces. These events are such a wonderful way to build connections and celebrate the spirit of teamwork and sportsmanship across our Trust, well done Y4!

Easter Egg Hunt

The school council have organised an ***Easter egg hunt for Friday 4th April*** to raise money for our new charity ***Greyfriars Community Centre***. Please bring a £1 donation in the week beginning Monday 31st March to participate in the hunt on the Friday. Thank you for your support.

Online Safety

Livestreaming plays a major role in children's entertainment, with a wide range of personalities influencing young viewers in both positive and negative ways. While watching streamers can be fun, it also comes with significant risks, including misinformation, financial harms, and inappropriate content.

Popular streaming platform Twitch has over 2.5 million viewers at any given time, which is why it's more important than ever to stay informed. This week's guide explores the potential dangers of livestreaming and offers essential insights to help you protect the children in your care.
