

Sports Funding

In March 2013, the Government announced a two year, ring fenced funding deal for primary schools. The purpose of this funding is to improve PE and sports provision. Over the year your child will have access to a few of the following provisions:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- New or additional Change4Life sports clubs
- Paying for professional development opportunities in PE/sport
- Running sports competitions

Over the year we will regularly be asking for the thoughts of our children to ascertain whether we are meeting their needs and our teachers. There will be a series of 'WOW' sporting days to allow our children to take part in a sporting experience with a difference.
